2010 KANSAS MOPAR CRUISE

WELCOME TO THE 3rd ANNUAL CRUISE!!

Any and all are invited to show up and drive!!!

July 8, 9, 10 and 11

<http://ksmoparcruise.org>

This event is a Mopar (AMC included!) cruise that will encompass roughly 300 miles across scenic Kansas by starting at Fort Riley, Kansas and ending up at the HPAC car show in Kansas City, Missouri. In between cruising along scenic Kansas at a leisurely rate and flogging your Mopar, the cruise will consist of stopping off at Historic Fort Riley, Kansas, Briggs Dodge in Topeka, Kansas and then ending up at the HPAC Car Show. There will be photo opportunities at Fort Riley, Kansas; Briggs Dodge Dealership in Topeka, Kansas; there will be a open schedule with a local chassis dyno to see how much HP your car is really putting to the pavement, and the great opportunity to run through scenic Kansas in your Mopar.

HPAC website is here: <http://www.hpacmopar.com/>

Please view their website for all the activities that they are planning. I am in no way affiliated with the setup or planning of their event.

Register for the Kansas Mopar Cruise by clicking on the register button at the top left of this page, and yes, this does not cost you anything to go on the cruise (other than gas!).
